

GM Connected Health Ecosystem – Active & Healthy Ageing

Group Theme: Fall prevention and monitoring		
Opportunity #1	Steps needed	Partners/organisations required
Standard of delivery -No consistency! -In house services -Outcomes	-Standards, set these up across areas -Comparison to start, areas are different but comparisons needed. -Comparisons vs systems approach.	
Opportunity #2	Steps needed	Partners/organisations required
Directions to resources vs portal	-Directing people to one place for information -Analysis – What's out there already? -Who is responsible?	
Opportunity #3	Steps needed	Partners/organisations required
SME'S/Project design	-Appropriate design need -Up to date design for age specific elderly people.	
Discussion group members	Shirley Hannon, Kirstie Clegg, Dr Hawley- Hague, Adam Slawson , Louise Gerrard, Stephen Taylor, Sam Aspinall, Matthew Fairley
